## Bowls group

Thursday night at KH from 6 pm

Firstly, apologies for the failure to produce a newsletter this year. As you know I have been away but am now back and fully refreshed, so normal service should be resumed.

From what I hear the Christmas party didn't go too well. Maybe we need to rethink what we do next year. If you have any ideas please let us know.

There were also issues with the Bodelwydan trip, mostly associated with the group being split up. This is what happens when bookings are shared and members don't all book at the same time.

Membership, as with many organisations, is declining. So, what do we do about it? There are several options.

- We could close
- We could do nothing and wait to fail
- We could try to recruit new members!
- We could do something else. Any ideas?

Do you do anything to keep the group going?

**The 'beetle drive' scheduled for April has had to be cancelled due to lack of room availability and the Easter holidays getting in the way.**

**On a happier note, the Chester barge trip has been popular so lets hope we get a good day.**

**At the committee meeting on Tuesday April 2<sup>nd</sup> we discussed various issues including membership, future events and issues around bookings. We really need to get dates booked in the calendar early so that we don't find ourselves without rooms for events.**

**We need to know what YOU want. Do we have a Christmas party or go out to an organised do. If yes, then we need to book NOW!**

**We also need to know if folk now want daytime events rather than night or weekends?  
Let us know !**
